Mr. Halpern’s practice area is business litigation, with exceptional expertise in insurance coverage disputes. Mr. Halpern has successfully represented policyholders in numerous insurance coverage and bad faith lawsuits at the trial and appellate levels, and in alternative dispute resolution proceedings, for claims under nearly every policy type. He has been involved in a number of high-profile insurance litigations before California courts, and has briefed key insurance and general litigation issues in the Courts of Appeal and the California Supreme Court.
